

Dear members & friends

I am now on count down, two more sleeps and I head off to the UK to be with my daughter, Jo and my grand children, Gee, Toby and Oscar. I can't wait, I just love Christmas.

Thank you for all of your support during 2024 and I wish you all a very Happy Christmas & New Year

2025 will be a year of change.

As many of you know I have been the "caretaker" for the Loulé area for a number of years, and I have loved meeting many of you at my events and thank you for your support.

As mentioned in the last "News from afpop", sent out by the afpop office on the 13 December, I am very pleased to welcome

Phil & Victoria Morris as the new Events Organiser for the Loulé area from the start of 2025. This is great news and I wish them every success ©.

This will be my last Newsletter to the Loulé area, unless you specifically ask me or the main office, that you wish to continue to receive my East Algarve Newsletters.

At the moment, I haven't planned any **East Algarve Events for 2025**. I will probably organise a lunch in late February or early March; but currently haven't thought beyond that. January is my time to think about the coming year, recharge my batteries and decide what to do ©.

Help the Homeless Appeal I have an update what the East Algarve / Loulé areas achieved. The support received has been amazing...!! *Read page 2 for more information*.

An incredible amount raised from donations... €2057.05!

Nights are now starting to draw in and overnight temperatures dropping and you have helped make a difference by purchasing 152 sleeping bags / beds.

There will be a lot of happy men and women who spend their nights on the streets and in abandoned buildings sleeping rough who now have something to help keep them warm.
