

Dear Members and Friends,

Firstly, we would like to thank all those would made it to the Coffee Morning last Friday at Cafe 8100!

After the initial date being postponed by a week, we were praying for some improved weather. Indeed we were outside on the patio at the beginning and enjoying some Algarvian spring weather, alas the heavens did open and the shower that ensued required us to move inside.

Nevertheless, I think all the Members that attended will attest to the event being a great opportunity to meet others local members and chat to friends, both old and new.

Victoria and I have been working on a pipeline of upcoming events and I am pleased to be able to give you those details below - Save the date!

Exact details will be emailed regarding each event as they approach, starting with the Salt Mine tour in the next couple of days.

- **March 27th** (Thursday) - Salt Mine Tour - Loulé
- **April 24th** (Thursday) - Social Lunch - Mahalo Restaurant
- **May 13th** (Tuesday) - Pottery Wheel Experience - with Loulé Creativo (Loulé Municipality) in Loulé town centre, exclusively in English for **afpop**, Capped at 6 people only.
- **May 22nd** (Thursday) - Social Lunch - Tribulum Restaurant

Looking forward to a lovely morning together!

With all our best wishes,

Phil and Victoria
