### **About Quinta da Tôr**

Owned by a local family who all help with the running of the winery for the last 14 plus years. They have tastefully re-developed the site and improved the quality of wine production. Located in the rolling hills of the Algarve, just outside Loulé on the road to Salir, this experience offers a beautiful scenery and a truly memorable escape. The premises have both an outdoor and indoor area for our private use, depending on weather conditions - we've got you covered!

We look forward to seeing you there!

Kind Regards,

***Phil and Victoria***
